

I am writing to ask that you keep K-LOVE, which I hear on FM 100.1 in San Diego (out of Julian, CA), on the air. This station is of great benefit to so many people I know. Every day, throughout the day, I am encouraged and inspired by the music and the conversation I hear on this radio station. I do not know of another station that serves the community like K-LOVE does. If it were to be replaced, it would affect my life in a negative way as I'm sure it would affect others. Please keep this valuable service on the air for us to enjoy.
Thank you for your consideration!
